

Mt. Lebanon High School
volume 46

No man is an
island, entire of
itself; every man is
a piece of
the continent, a part
of the main . . .

John Donne

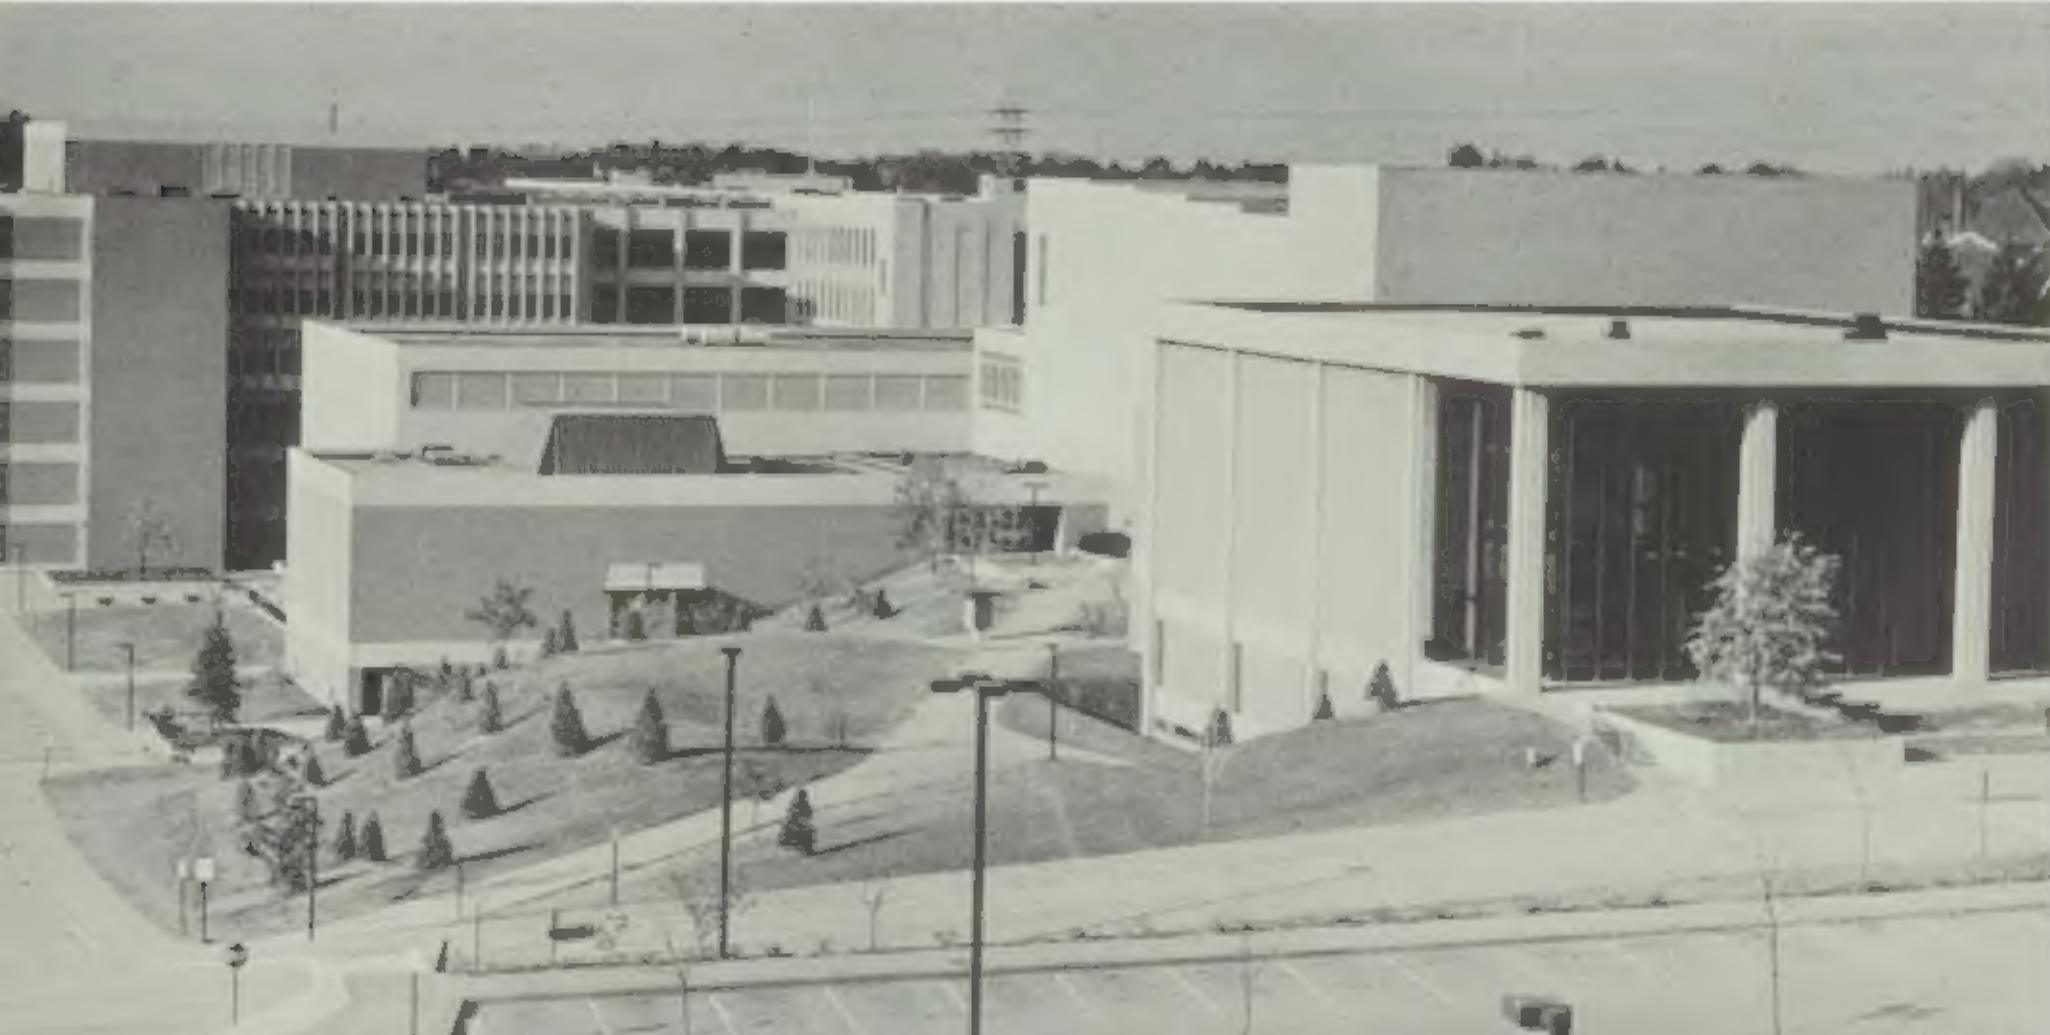

The happiness of life is made up
of minute fractions —
the little soon-forgotten charities
of a kiss or smile,
a kind look,
a heartfelt compliment . . .
Samuel Taylor Coleridge

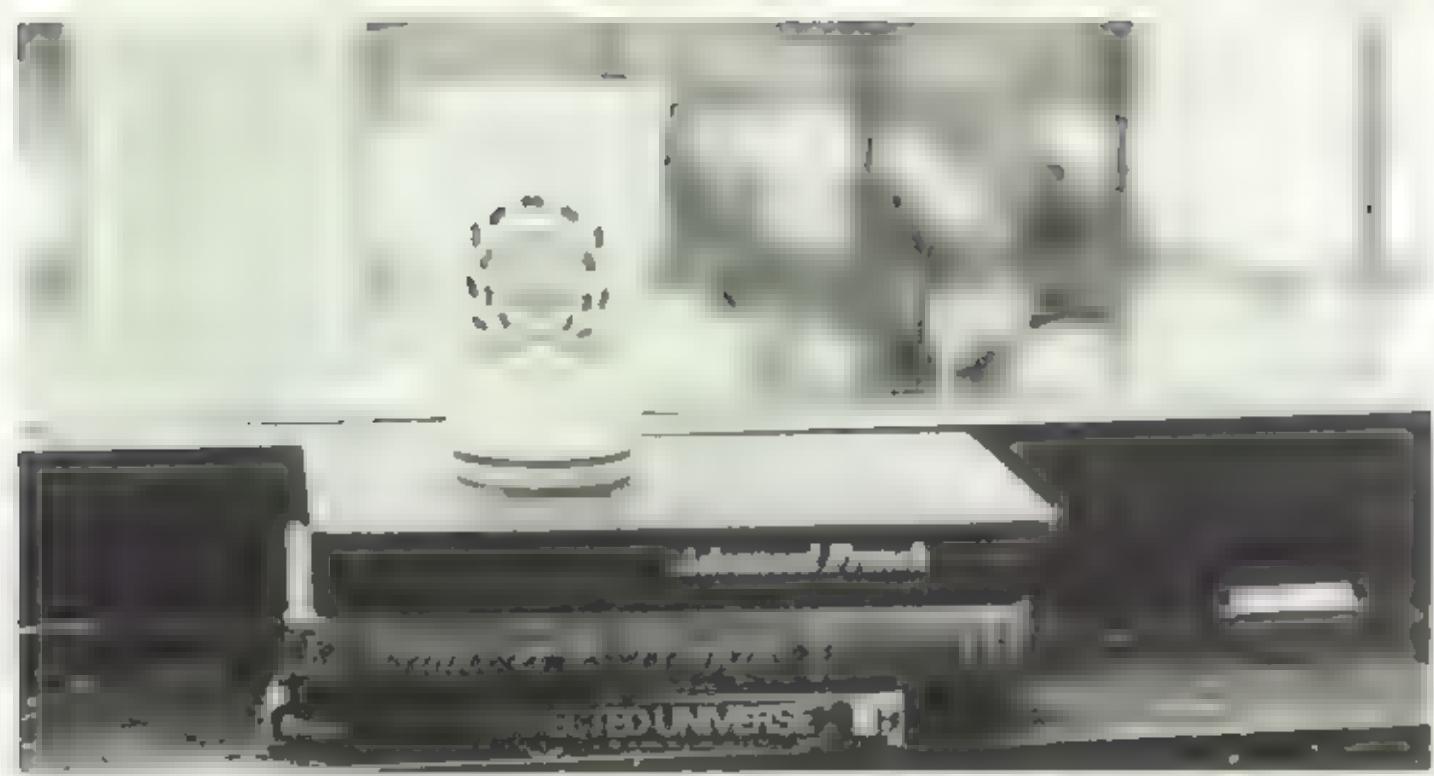

There is no private life
which is not determined
by a wider public life.
George Eliot

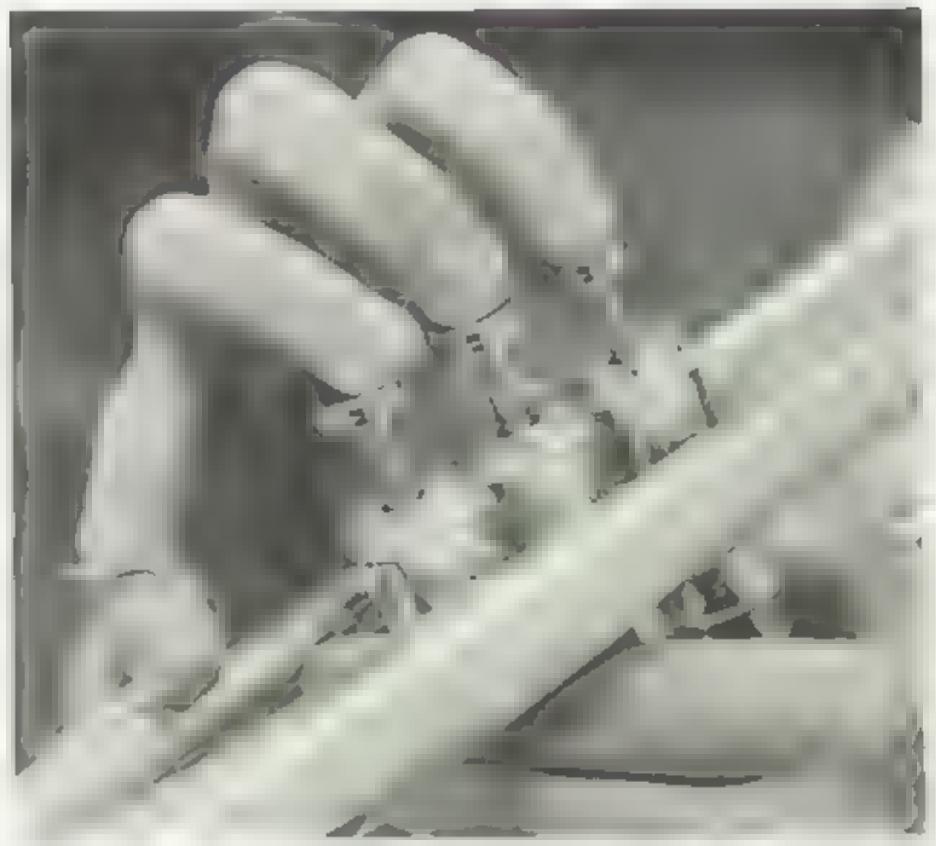

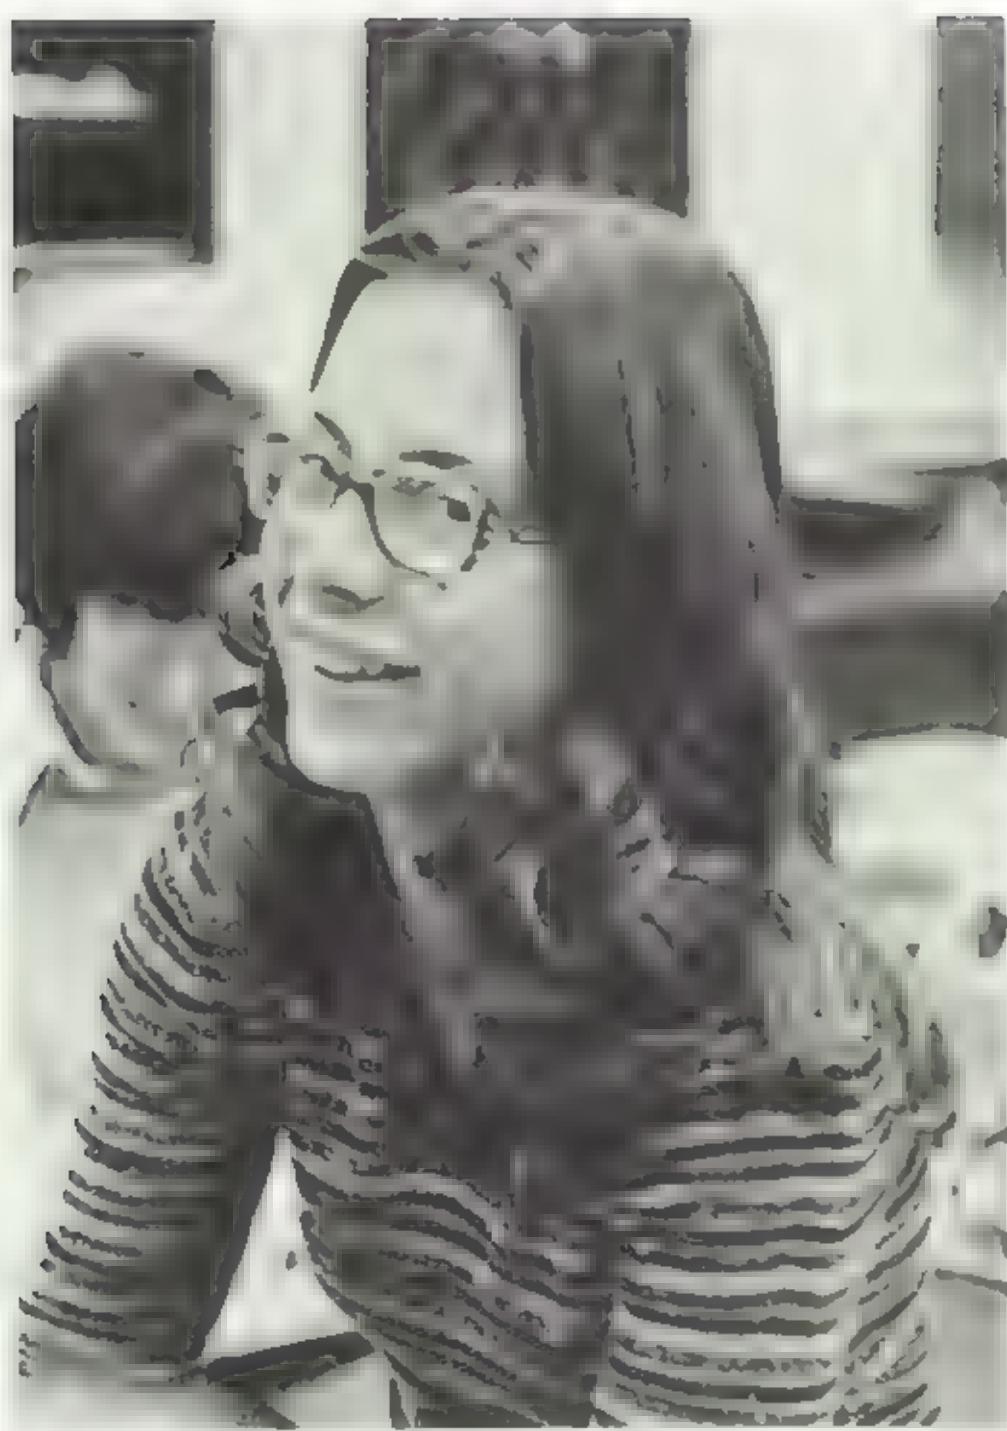

The youth of America is
their oldest
tradition. It has been
going on now for
three hundred years.

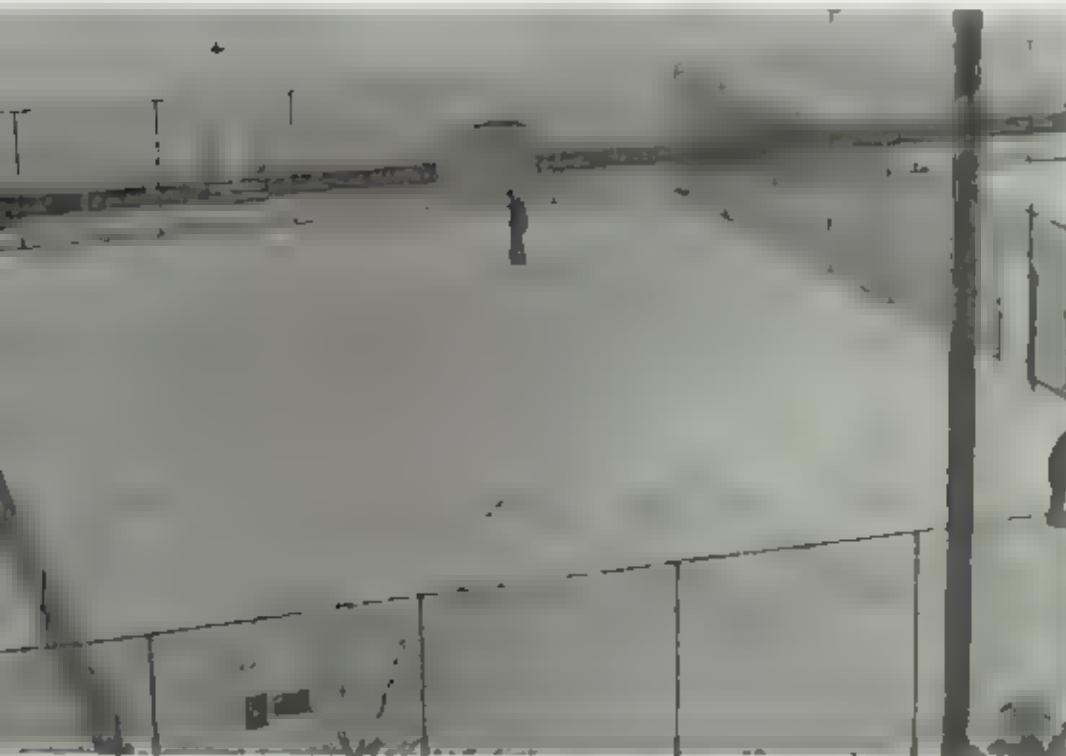

Oscar Wilde

Time is not measured
by the passing of the
years,
but by what one does,
what one feels,
and what one achieves.

Jawaharlal Nehru

FACULTY

ADMINISTRATION

Schools need not preach political doctrine to defend democracy. If they shape men capable of critical thought and trained in social attitudes, that is all that is necessary.

The good Christian
should be wary of mathe-

make false prophesies.
The danger already exists
that mathematicians have
made a covenant with the
devil to darken the spirit

Medea

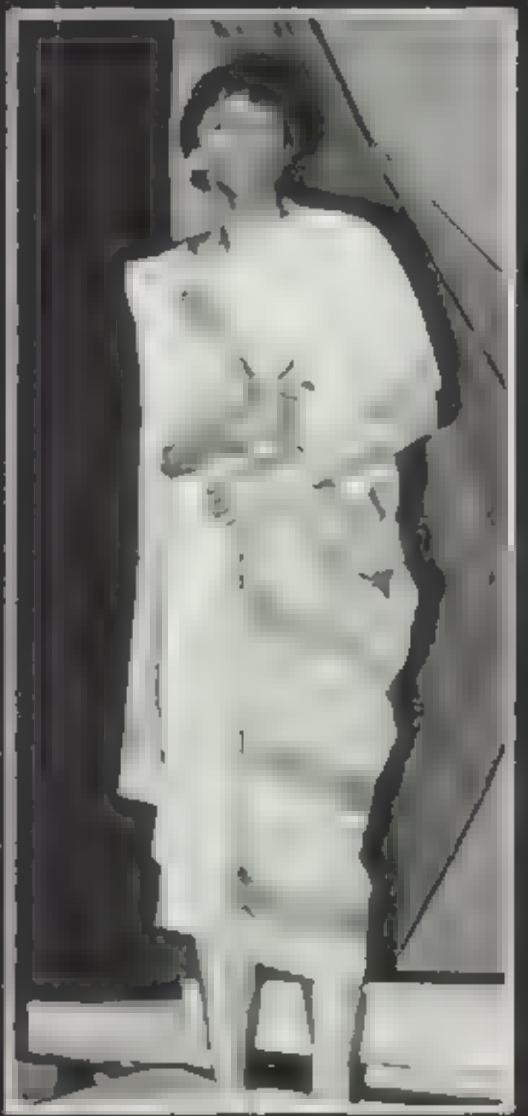

Under the direction of Julian Meyer and student directors Roxanne Bryan and Dorothy Bamhouse, the Theater Company presented MEDEA. The Technical Department created an abstract set and surrealistic make-up and costumes to add a new dimension to the Greek Classic.

music of THE WATERMELONMAN

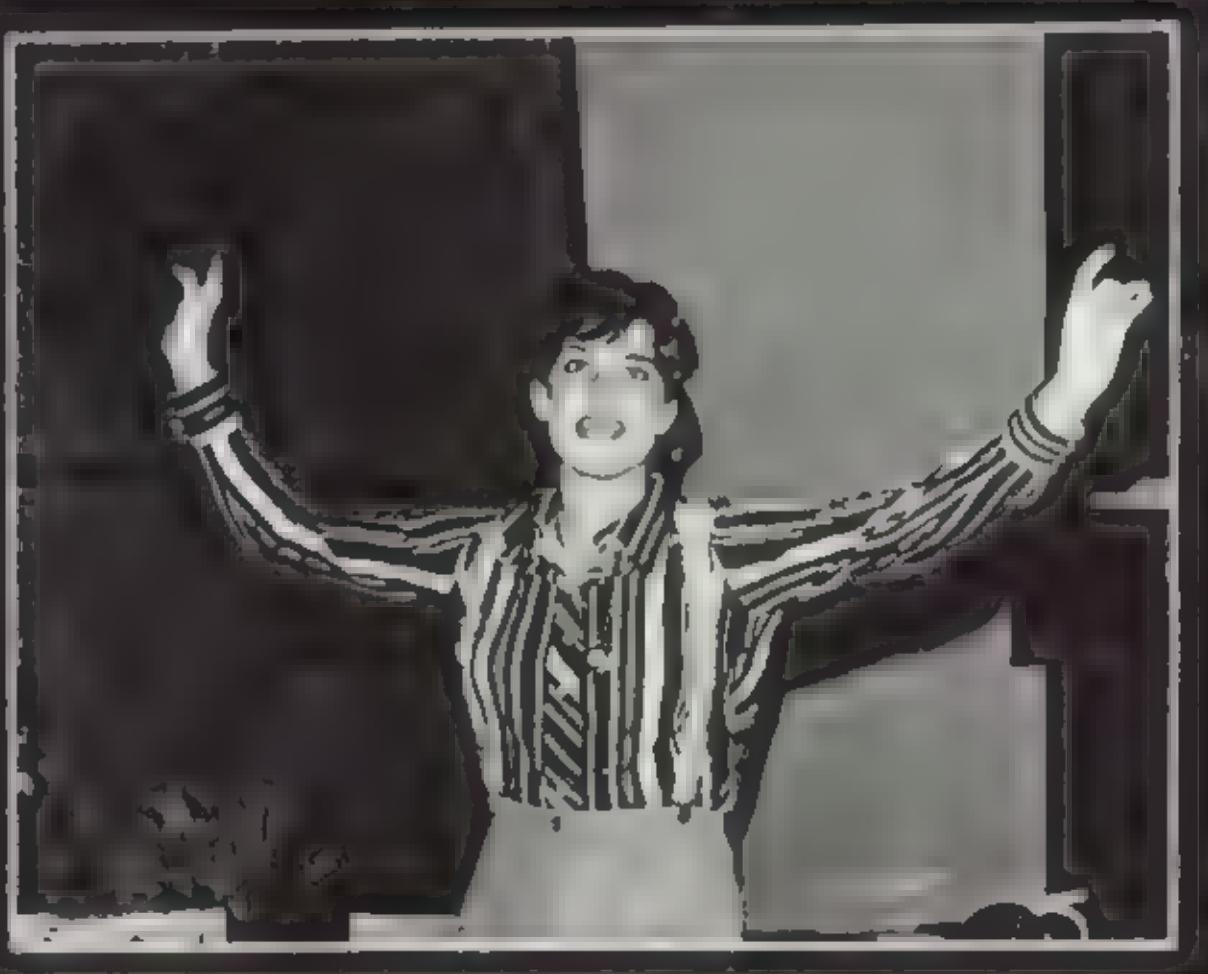

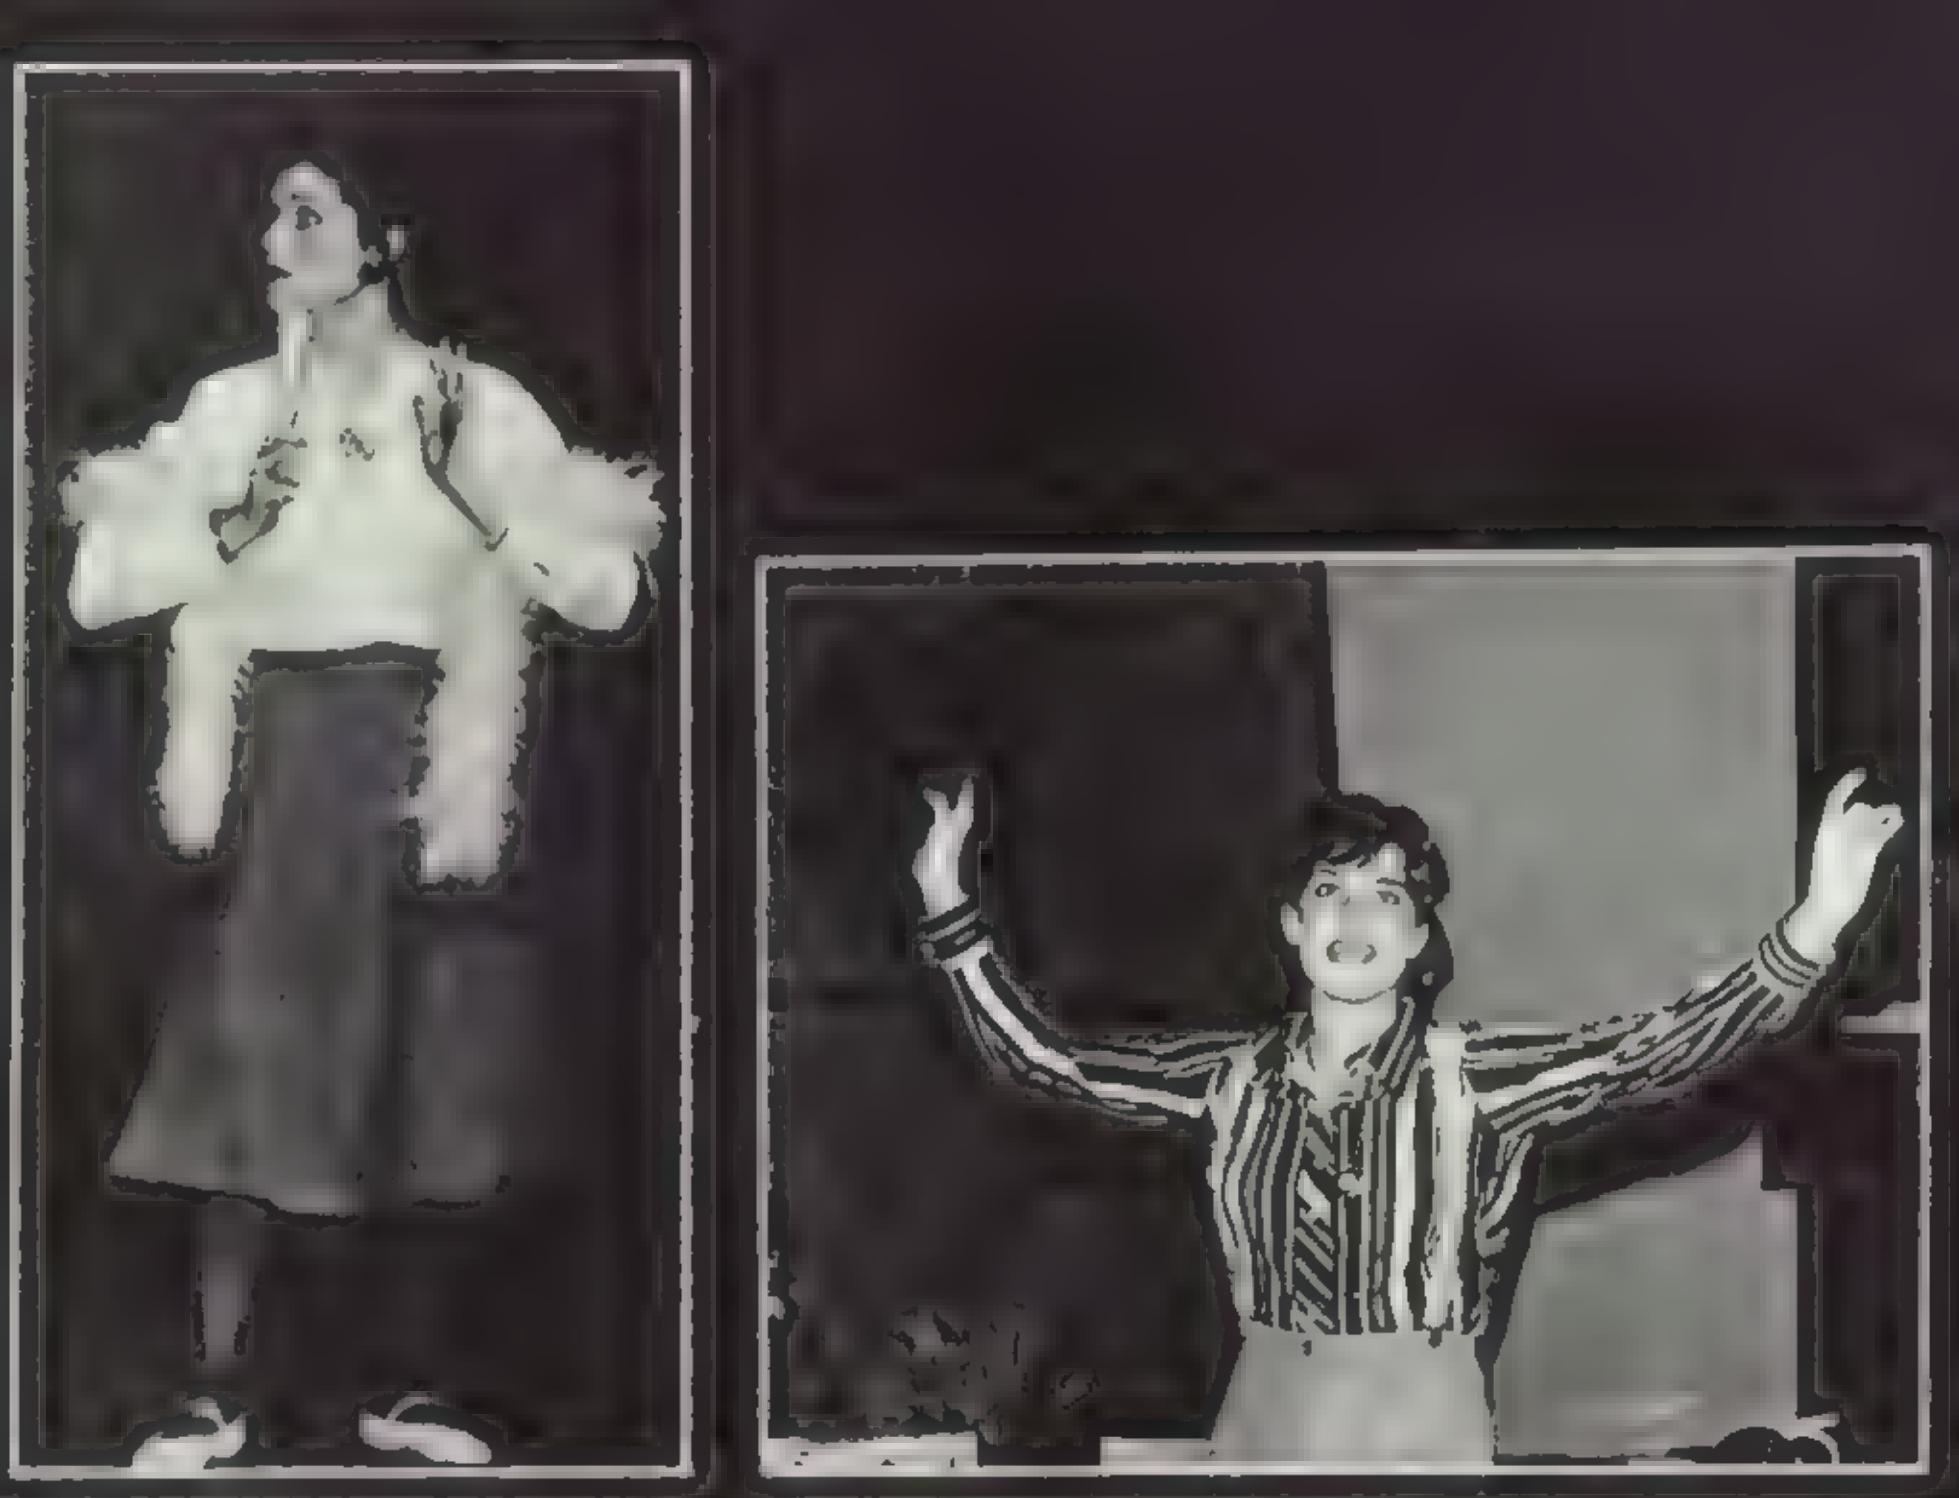

Fashion

The Theater Company, under the direction of Julian Meyer, presented FASHION, the musical adaptation of Anna Cora Mowatt's eighteenth century comedy. The play-within-a-play concept was clarified by the cast's portrayal of two characters, one the hopeful member of a high society amateur drama group, and the other the comical over-characterization of their role.

He is lean and sinewy with muscular legs.
He is thinly clothed, he leans forward as he runs,
With lightly closed fists and arms partially rais'd.

Remember to look
find strength in what remains behind.
Wordsworth
Illustration by Mr. Victor Kalay

1976: a time for reflection

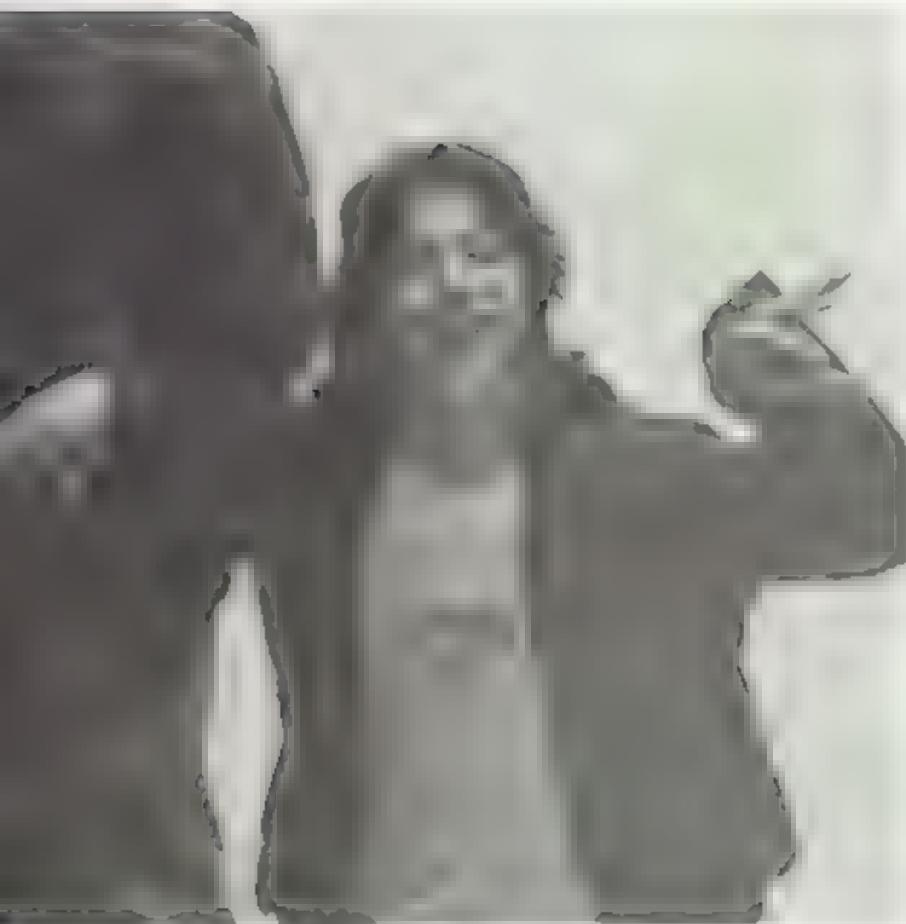

"It was the best of times,

it was the worst of times,

it was the age of wisdom,

it was the age of foolishness,

it was the epoch of belief,

it was the epoch
of incredulity,

it was the season of Light,

it was the season of Darkness,

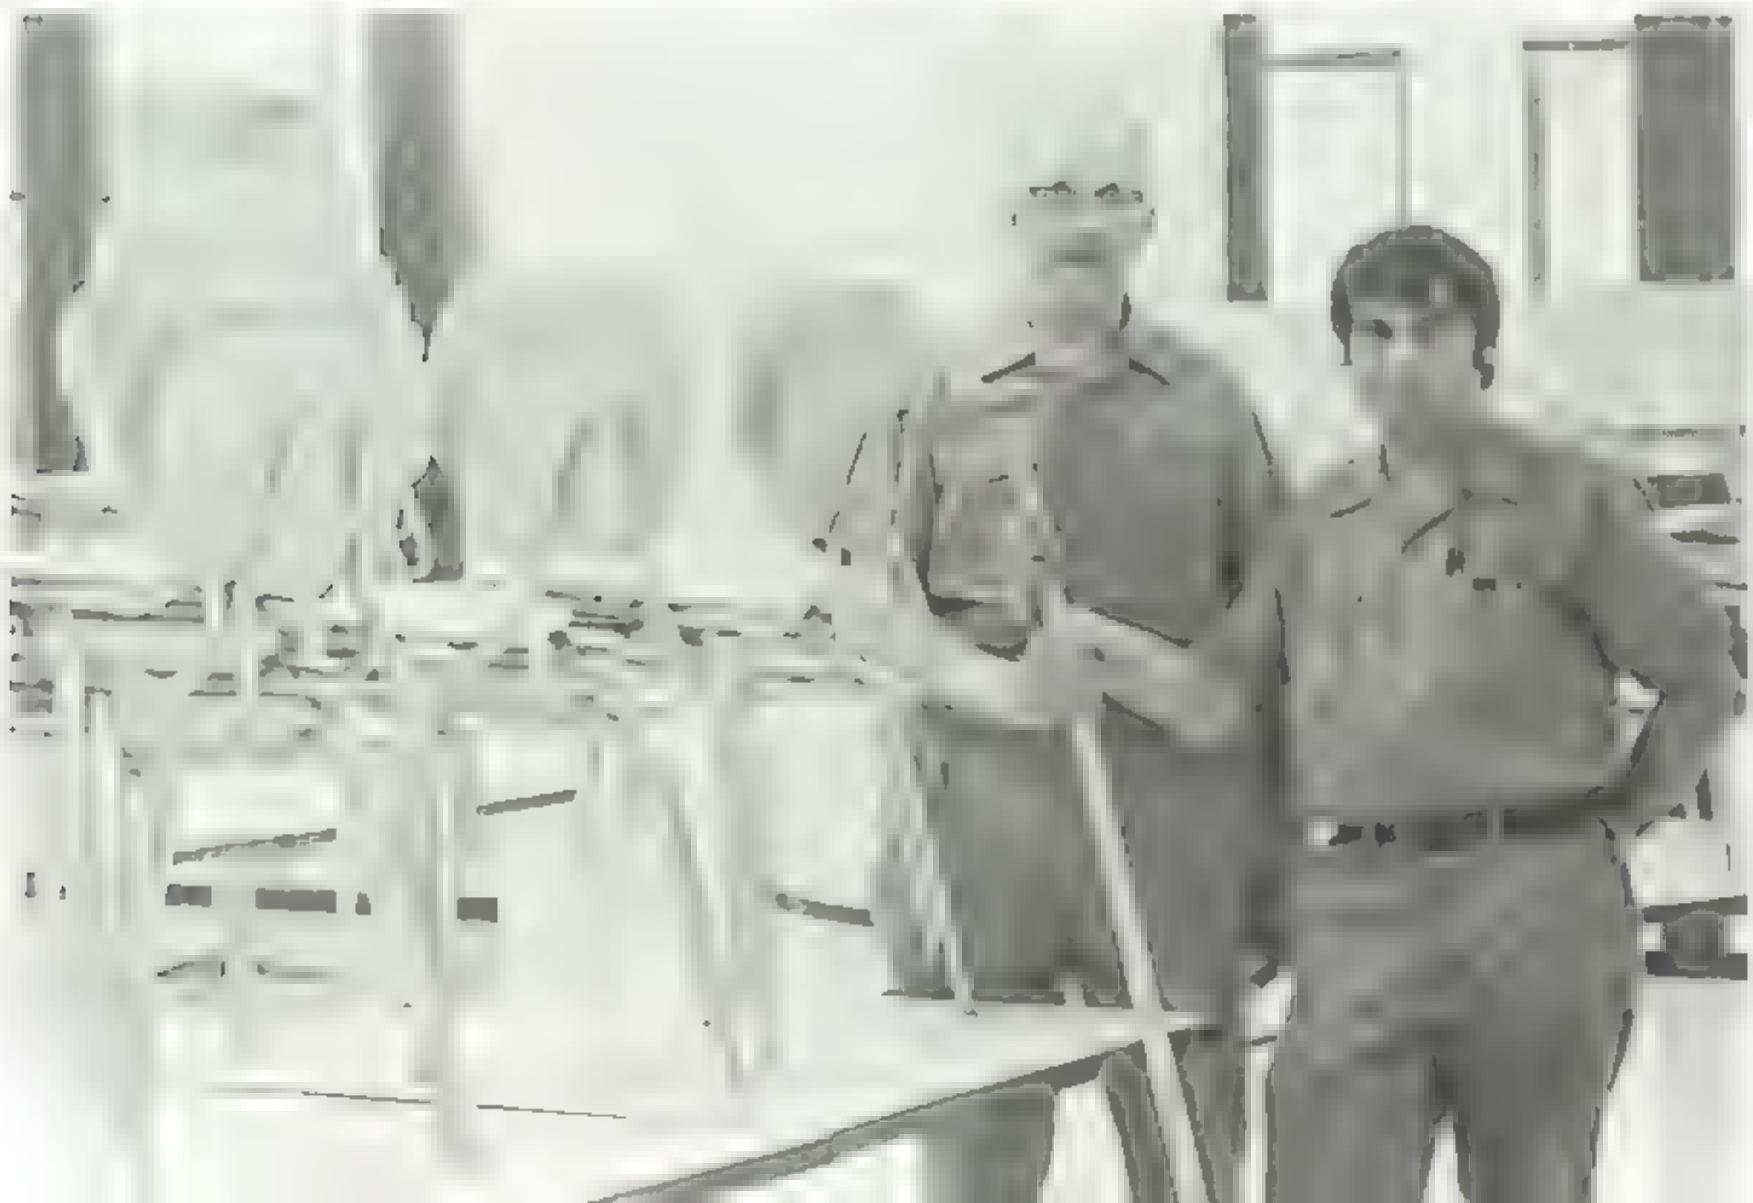

it was the
spring of hope,

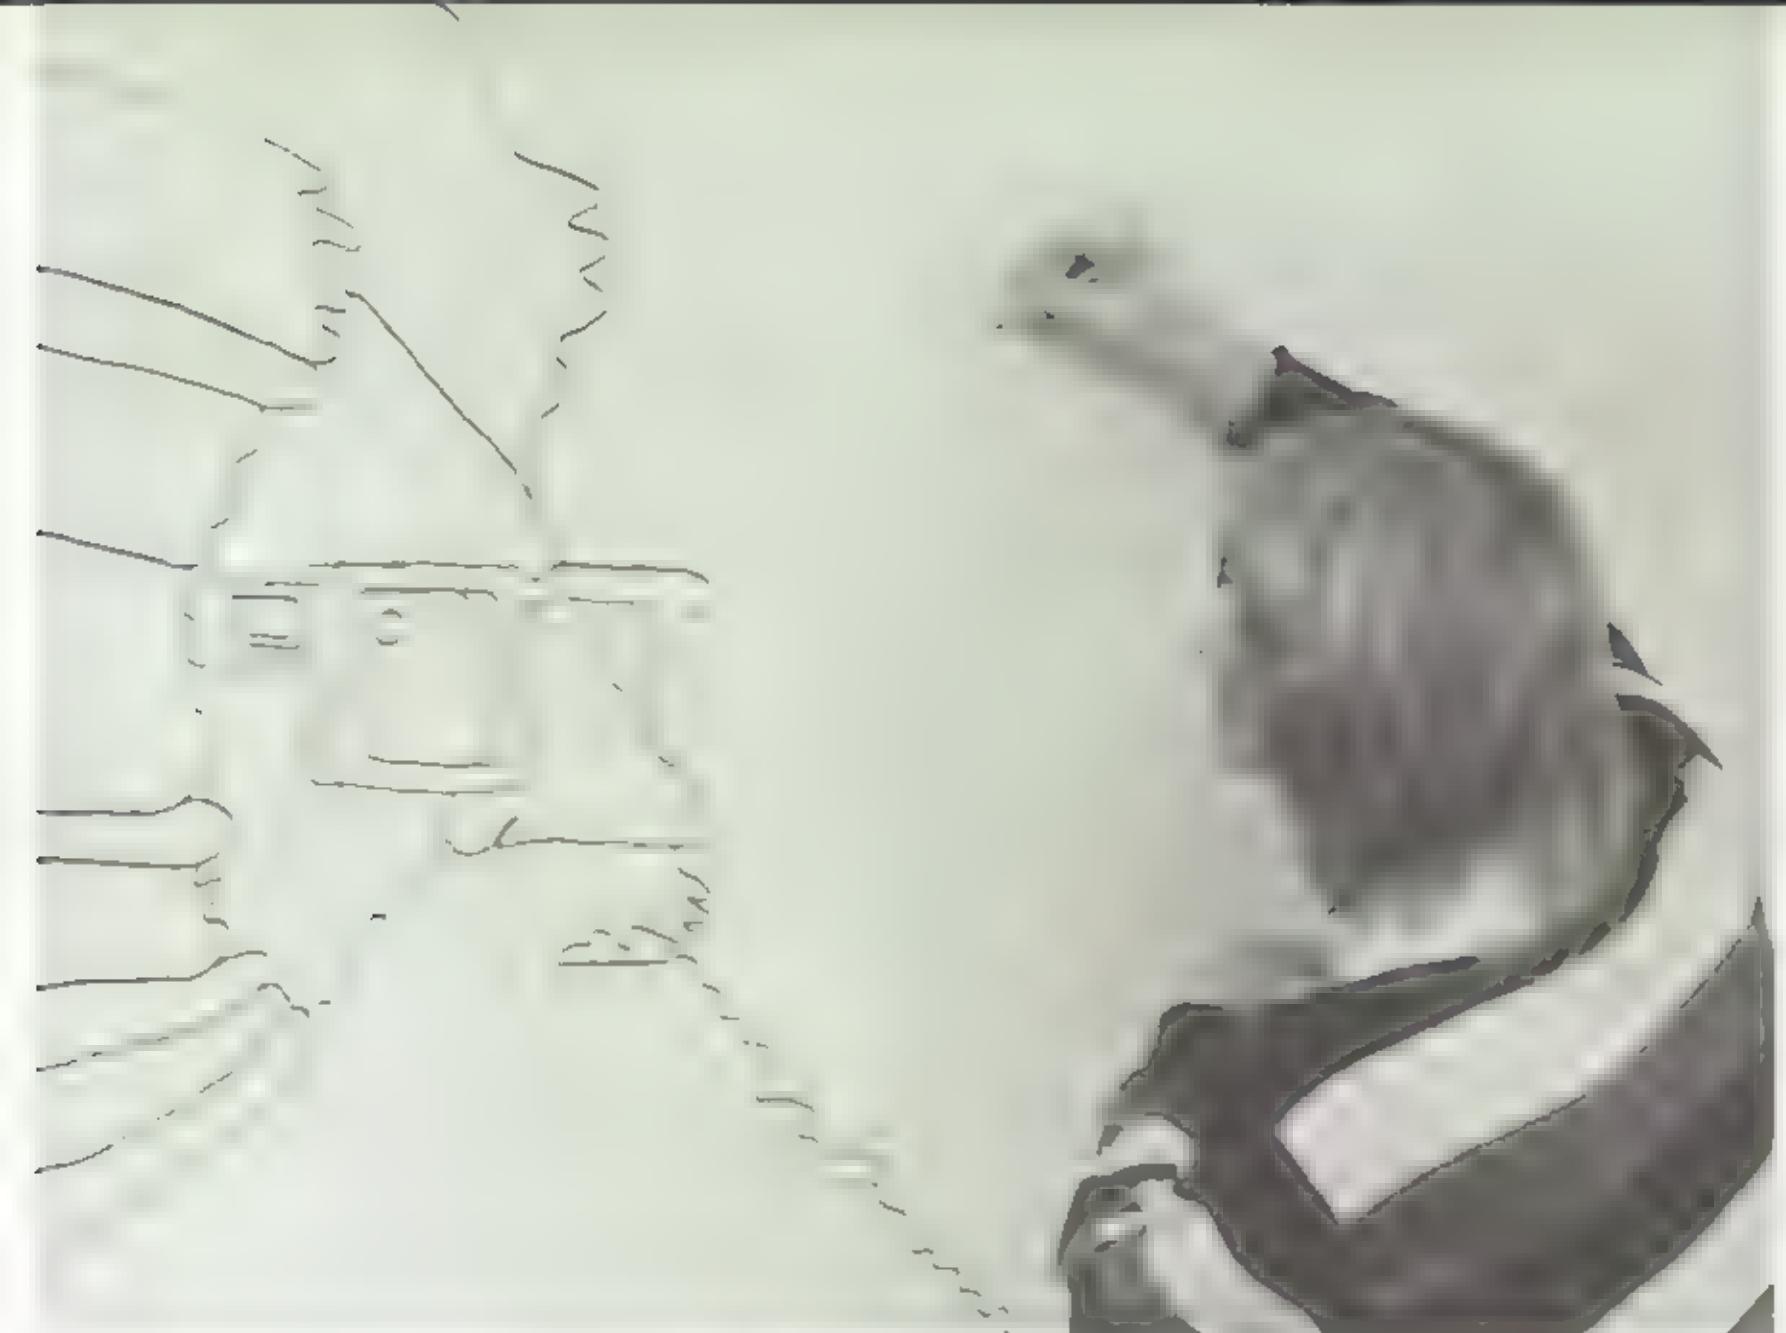

it was the winter of despair,

we had everything before us,

we had nothing before us,

we were all going direct to Heaven,

we were all going
direct the other way . . . "
